

Pine Products Premium Posts

 PINE PRODUCTS

Premium Wrapped Posts

Southern Pine 88 x 88mm Premium Posts are individually wrapped, SG8 structural grade and H4 CCA treatment for in-ground use. They are dressed & arressed for a smooth, clean finish; kiln-dried after treatment ensuring an incredibly stable and maneuverable post.

These posts are KD (Kiln Dried) after treatment for stability with the added protection of their own plastic sleeve to keep them dry on-site. They are ideal for fences, decking, verandas, and pergolas.

Available in lengths

- 1.8m
- 2.4m
- 3.0m
- 3.6m
